SELVA MARINA COUNTRY CLUB December 2009

## LETTER FROM THE MANAGER

DEAR FRIENDS,

At the recent Town Hall Meeting, the Board of Directors asked the membership for continued commitment to the Club. There are many ways to achieve this goal of commitment. For some it will be spending an extra \$5 each week at the Club. Perhaps you might join us for the Holiday Gathering or for one of our other dinner specials. For others it might mean bringing more guests out to play golf or tennis, utilizing the driving range, or playing in a golf or tennis tournament. Another opportunity might be to send us catering business for your company or one of your friends. We still have availability for this holiday season and we are currently offering special deals to weddings and holiday events booked by the end of the year.

I believe there is one more vital component to this Club commitment process. There are still potential members within our community and many more among the circle of friends of existing members. An important key to our success remains with the membership of this Club in promoting and recruiting new members. Our Club community may expand by word of mouth, but it is much more likely to be successful if the prospect comes from our membership. Think about what our Club culture is and consider the likelihood of a new member just walking in off the street. Or, more probably, consider the value of someone who has visited the Club with a member who is a close friend and enjoys their company. If you truly want the Club to succeed and care about the future of our place in this community, then we must have your support at this critical juncture. Bring us a contact point or prospect and I will personally address each one to ensure they have our utmost attention.

My message to you last month was about the F&B operation and how we are creating value there so that using the Club is a little easier. I want to continue that message here this month with the golf operation:

- 1. Discount Guest Fees - (cart and green) on weekdays and Sunday after 12 Noon have been lowered to just \$30. This applies to Social and Sport members as well as guests.**
- 2. Family Cart Deal - Any Full Member families who play and ride together, for each paid cart fee, the second family member plays/rides for free. This applies only to immediate family members under the membership up to a foursome per day.**
- 3. Half Price Sundays - Full members will receive a discount on Sunday after 12 noon - cart fees are reduced by 50%. Special events and tournaments do not apply.**

Best Regards,
