SELVA MARINA RECONSTRUCTION PLAN

Dear Friends,

I just wanted to deliver a short message about two important items. Last month our Executive Chef resigned and we began the search for a replacement. This process always presents a challenge and as a good friend of mine says, "Every set back presents a new opportunity to improve." I agree with that sentiment and fortunately it was prophetic as I am now prepared to announce our new **Executive Chef, Shane Cheshire**. The name may sound familiar to you as he has worked at the Beach for the last 15 years. As Executive Chef at The First Street Grill for its last nine years of operation, most of you have probably experienced his culinary creations. Shane then took the reins at The Homestead until the construction of the Beach Blvd. took its toll on their customer base. Most recently he was the private chef for a Jaguar player and fortunately our needs met up with his and it turned out to be a great opportunity for both of us. Shane will be showing his creativity at a Meet the Chef Wine Dinner on June 19th where his food will be paired with a variety of wines from the Firestone Vineyards. I hope you will join us for what I anticipate to be an exceptional evening.

Also I want to remind everyone that we are hosting the **17th Annual Vince Dooley Scholarship Golf Tournament** on June 29th. Now you may be wondering why I am promoting an outside golf tournament to members. The fact is that if we can improve attendance by virtue of this letter, e-mails and flyers around the Club, then the Club stands to improve its revenue as the host of the event. This event will provide the individual golfer the round, lunch and a variety of contests and prizes at the conclusion including a chance to win a Harley-Davidson. So support this event and support your Club by participating in this event for a good cause. For more information or to download a registration form, go to www.jaxbulldogs.com.

Best Regards,
