## LETTER FROM THE MANAGER

Dear Friends,

In preparing for the summer season we have taken several steps to improve the pool. The restroom areas were painted, along with replacing fixtures and other repairs. In short, the rooms look dramatically better. I want to recognize and thank Club member Todd Bosco of Bosco Custom Homes for making the significant contributions required to achieve this goal. Todd donated materials and labor to defray most of the cost involved in this project.

In the same vein, our new Sales Center for The Cove was completed last month. The effort to accomplish this in a short time frame required the contributions of several more members. Pete Rodrigues with RPC Construction and Kelly Elmore of Euthenics Landscaping both made contributions to ensure our project was completed on schedule and on budget. I also want to thank our partners, The Robin Shepherd Group and Prudential Network Realty for their help in achieving the first steps toward our future.

One of the new feature's s implemented as part of the Sales Center project was the addition of a new awning over the south patio off the Main Dining Room. This covered area is now surrounded by fresh flowers and soon we will install ceiling fans. This will surely become a favorite area for dining and events at the Club.

Please keep in mind that we will continue to offer the Summer Pool membership as long as they last. Tell your friends about this summer offer so that they can enjoy the Club's amenities and participate on the swim team.

Best Regards,

David Main
