

# THE FORECAST

SELVA MARINA COUNTRY CLUB

May 2010

## LETTER FROM THE PRESIDENT

I am very happy to let you know that the Club has negotiated an extension of the Club's debt with the bank. I want to personally thank all the members that participated in the refinance program. Without their help this extension would not have been possible. It is still possible to participate if you would like to help as we still want to pay the Bank in full as soon as possible.

We now must put a tremendous focus on Club operations, improving the member experience and growing membership. Our model of opening the golf course to outside play while preserving member value is working very well. We now need to get greater engagement from our members in activities at the Club, participation in events, and contributions to improvements. The Club is only as strong as the level of membership engagement.

We have plans for improvements in many areas and are open to other suggestions. A couple of projects we are working on include: Selva Kids Shack, Sunset Bar by the pool, tennis court improvements and a refresh of the dining areas specifically the Grill area. Members are volunteering their time to help the Club by painting the new DayCare area, dropping off toys, volunteering to help build the pool bar, participating on the House Committee to address the clubhouse improvements, etc.. If you would like to help, please let the office staff know. The more the better.

We have a great chef in Shane Cheshire, former chef at First Street Grill, NFL Chef and Owner of Homestead Restaurant. We have many great social events, many opportunities to dine with family and friends in a comfortable non-rushed environment, tennis, golf, swimming and so forth. My point: use what we have and enjoy your membership. Our ability to thrive during this tough economic climate will be driven based on each member's engagement at the Club. And to squelch a vicious rumor - the Club is **NOT** closing its doors. Please let everyone you know in the community that this is not true and **there has never been a better time to** get involved at the Club.

Selva Marina Country Club has been in **our** Community for 50 plus years and with a little effort from each member the Club can fight **through** this storm and be a thriving Club in the Community for at least another 50 years. I look forward to seeing you at the Club soon.

Sincerely,

*Alan Ennis*

## UPCOMING EVENTS
